

The World Markets and Manufacturers of High Voltage Switchgear 2022 – 2032

This edition contains the very latest details of the global switchgear market and provides insight into regions and countries where high growth rates will be seen over the forecast period. The report includes segmentation by customer type, voltage level, insulating technology and by application for each national market.

Published: February 2023

Order Now £3,000.00

The Report covers High Voltage Switchgear >1kV segmented into the following types, for each country:

Equipment Type:

- Fuses
- Circuit Breakers
- Switches
- Panels, Boards & Modular Switchgear
- Lightning Arresters

Type of Use:

- Switchyards & Major Substations
- Overhead line gear
- Primary Distribution Equipment
- Secondary Distribution Equipment

By voltage Range:

- 1 - 50kV - GIS/AIS/VAC etc.
- 50 – 150kV- GIS/AIS/VAC etc.
- >150kV- GIS/AIS/VAC etc.

By Customer Type:

- Utility Companies
- Construction & Industry
- Rail & Transport
- Mining, Marine & Offshore

The report includes:

- Detailed data on over 150 national markets for High Voltage Switchgear
- Market values and growth rates for all countries, from 2017 to 2032
- Market value and growth forecasts for all countries, from 2022 to 2032
- Market value and growth forecasts by technology, all countries, from 2022 to 2032
- Import and export values for each country by equipment type 2019 to 2021
- Three year rolling average import values, with % shares by origin
- A contact Directory of Major Manufacturers and Products Supplied
- Estimates of sales of the world's leading manufacturers of High Voltage Switchgear, with estimates of sales per region, equipment type and customer type.
- Production data (by value) for major manufacturing nations
- Country infrastructure data

For details of the geographical coverage of the report and ordering information please see over page:-

Geographical Coverage

The report provides data on an individual country level, split into the following major regions:

Western Europe
Former USSR
Middle East
Far East
South America
Oceania

Eastern Europe
Africa (5 regional splits)
South Asia
North America
Central America & Caribbean

ORDER FORM

I wish to purchase the report in the following format:

1. World Markets & Manufacturers of HV Switchgear, 2022 – 2032

I wish to Purchase

Price per Copy – PDF Electronic delivery..... £3,000.00

Multisite Licence – One payment unlimited use..... £6,000.00

Postage & Packing (paper copies only) UK £50 Overseas courier delivery £100

I enclose a cheque

Invoice my company

I have arranged a bank transfer

Purchase Order No.

EC COUNTRIES ONLY: Please supply your VAT registration No.....
